

ECRC~SIMEC has a position available for Operations Support personnel for their office based in Corunna, Ontario. The position is focused on oil spill response preparedness activities, maintenance and testing of oil spill response equipment and facility maintenance, and the training of oil spill responders. During oil spill response events, the position is part of the ECRC~SIMEC spill management team.

Desirable qualifications include:

- Self-Motivated team player capable of functioning in a dynamic environment.
- Ability to function in challenging response situations that requires occasional short-notice travel.
- Experience in preventative maintenance and repair of small engine and mechanical equipment.
- Marine and/or Industrial experience.
- Experience in supervising projects and small groups of workers.
- Strong written and oral communications combined with experience using computer-based applications – spreadsheets, database, email, word processing and presentation software.
- Experience and ability to follow standard operating procedures and adhere to company policies.
- Experience and/or training in adult instruction
- Valid driver's license.
- Preference will be given to applicants with Marine certification.

Salary to be commensurate with skills and experience.

To apply for this position, email your resume and cover letter to:

Corunna, Ontario office: Andy Erjavec at [aerjavec@ecrc-simec.ca](mailto:aerjavec@ecrc-simec.ca), mail to P.O. Box 788, Corunna, ON N0N 1G0, or fax to (519) 862-3510.

Deadline for receipt of applications is December 1st, 2022.
